## 1.0 About ON THE MARK:

ON THE MARK (OTM) is the leading global boutique consultancy specializing in high-impact collaborative organization design and operating model modernization. In business for 32+ years with more than 450 successful re-designs and modernizations completed, OTM offers businesses and governments a reliable alternative to *real* transformation based on proactive, genuine engagement and readiness.

*Our sweet spot is ensuring a business's organization design and operating model is fit for purpose to deliver its strategy with a keen focus on aligning true cultural and behavior change, fast.* Whether it's a post-acquisition/merger integration, the realignment of a particular part of the business, putting the customer at the centre of a business or moving from local, site-based to global, OTM delivers tangible value.

- Successfully delivered over 450 redesigns and over 700 projects in total.
- Redesigned every type of business function and enterprise-wide, across most industry sectors.
- Worked in over 35 countries on five continents.
- Trained/developed over 5,000 leaders and internal change agents in OTM's unique organization design solution.

OTM's most important points of differentiation is our unwavering commitment to real involvement of your people, taking a sustainable approach to operating model transformation, use of senior consulting team from start to finish, our comprehensive solution and approach to stakeholder engagement and focus on shifting deeply engrained and legacy behavior patterns – all with the intent of helping our customers realize their desired future.

Some of our customers include Nestle, American Express, BAE Systems, Dolby, CSL Behring, Seqirus, UK's National Nuclear Laboratory, Children's Miracle Network Hospitals, Medtronic, TKMax, Kingfisher, and Inmarsat – just to mention a few. OTM operates globally with offices in the United States (Phoenix, AZ) and United Kingdom (London).

The OTM team are expected to be active members of industry professional communities around the world. The OTM Team participate in Organization Design Forum (US), the European Organisation Design Forum, the STS Roundtable and the Organizational Design Community to highlight a few. All OTM team members are expected to contribute to marketing and business generation through delivering webinars, blogs and articles, present at industry events, etc.

We are looking for talented, exceptional organization design professionals to join our team.

## 2.0 Role Requirements:

OTM is searching for talented, exceptional, and experienced Organization Design practitioner to successfully carry out the following key responsibilities. At a minimum, the ideal candidate(s) must bring:

- 7 Minimum of a University degree.
- 7 Demonstrated five to seven (5-7) years' experience in planning and delivering organization design solutions. Beyond changing organization charts.
- 7 Practical working knowledge and experience in organization design.
- 7 Practical working knowledge and experience delivering change work. Proactive change work (not change management).
- 7 Skilled in fundamental facilitation skills. Will need to provide evidence of expertise and/or trainings successfully completed. Leading teams and groups through decision making, problem-solving and planning.
- 7 Experience working as both as an internal and external change agent. (Internal = HR, Lean, OD, Finance, Operations, etc. and external = consultant).
